Ranking Member Jerry Lewis  
House Appropriations Committee

Dear Chairman Obey & Ranking Member Lewis:

I am requesting \$2,000,000.00 for ADPS Mobile Data Computer Expansion Project in fiscal year 2010. The entity to receive funding for this project is the Alabama Department of Public Safety, located at P. O. Box 1511, Montgomery, AL 36102-1511. The funding would be used for the expansion of the Mobile Data Computer project to encompass all of the Highway Patrol and ABI Divisions, providing a mechanism to electronically capture data at the scene of an incident. Taxpayer Justification: Funding will help create and maintain jobs by facilitating the purchase of equipment for use in documenting and investigating criminal activity and protecting citizens.

I certify that neither I nor my spouse has any direct financial interest in this project.

Also, I hereby certify that this request will be made publicly available on my Official Website as required by Chairman Obey's new Committee policy that only posted requests will be considered.

Consistent with the Republican Leadership's policy on earmarks, I hereby certify that to the best of my knowledge this request (1) is not directed to an entity or program that will be named after a sitting Member of Congress; (2) is not intended to be used by an entity to secure funds for other entities unless the use of funding is consistent with the specified purpose of the earmark; and (3) meets or exceeds all statutory requirements for matching funds where applicable. I further certify that should this request be included in the bill, I will place a statement in the Congressional Record describing how the funds will be spent and justifying the use of federal taxpayer funds.

Sincerely,

Robert B. Aderholt
