House Appropriations Committee

Dear Chairman Obey & Ranking Member Lewis:

I am requesting \$6,000,000 for Administration Building Renovation in fiscal year 2010. The entity to receive funding for this project is Snead State Community College, located at P.O. Box 734 Boaz, AL 35957. The funding would be used for renovate the Administration Building which has been heavily damaged by termites and water from a leaking roof, and has asbestos. Redesign will provide access for students with disabilities. Taxpayer Justification: The Administration Building is listed on the National Register of Historic Places. The College is experiencing growth and the building is used as a classroom in addition to administrative functions. The College anticipates growth related to BRAC.

I certify that neither I nor my spouse has any direct financial interest in this project.

Also, I hereby certify that this request will be made publicly available on my Official Website as required by Chairman Obey's new Committee policy that only posted requests will be considered.

Consistent with the Republican Leadership's policy on earmarks, I hereby certify that to the best of my knowledge this request (1) is not directed to an entity or program that will be named after a sitting Member of Congress; (2) is not intended to be used by an entity to secure funds for other entities unless the use of funding is consistent with the specified purpose of the earmark; and (3) meets or exceeds all statutory requirements for matching funds where applicable. I further certify that should this request be included in the bill, I will place a statement in the Congressional Record describing how the funds will be spent and justifying the use of federal taxpayer funds.

Sincerely,

A handwritten signature in black ink that reads "Robert B. Aderholt".
