Dear Chairman Obey & Ranking Member Lewis:

I am requesting \$3,000,000.00 for Alabama Farmers Market Renovation and Revitalization in fiscal year 2010. The entity to receive funding for this project is Jefferson County Truck Growers Association, located at 344 Finley Ave. West, Birmingham, AL 35204. The funding would be used to renovate the 53 year old market, tear down three sheds, rebuild with coolers, and add new 38,000 square feet for farmers to sell products. Coolers allow perishable meat and fish to be brought for sale. Taxpayer Justification: One of few farmer run markets in the US still in continuous operation. 1,000 Alabama farmers use market annually. Renovations will increase farm jobs and boost the economy in Alabama.

I certify that neither I nor my spouse has any direct financial interest in this project.

Also, I hereby certify that this request will be made publicly available on my Official Website as required by Chairman Obey's new Committee policy that only posted requests will be considered.

Consistent with the Republican Leadership's policy on earmarks, I hereby certify that to the best of my knowledge this request (1) is not directed to an entity or program that will be named after a sitting Member of Congress; (2) is not intended to be used by an entity to secure funds for other entities unless the use of funding is consistent with the specified purpose of the earmark; and (3) meets or exceeds all statutory requirements for matching funds where applicable. I further certify that should this request be included in the bill, I will place a statement in the Congressional Record describing how the funds will be spent and justifying the use of federal taxpayer funds.

Sincerely,

Robert B. Aderholt
