Dear Chairman Obey & Ranking Member Lewis:

I am requesting \$5,600,000.00 for the bridge replacement on Martling Road, Double Bridges, Marshall County, AL in fiscal year 2010. The entity to receive funding for this project is the Marshall County Commission, located at 424 Blount Avenue, Suite 305, Guntersville, AL 35976. The funding would be used to construct a new bridge on Martling Road across Scarham Creek at Double Bridges. This crossing will provide for a direct route to the Martling community, Asbury School and effectively eliminate the bridge that currently serves 1,800 vehicles per day. Taxpayer Justification: The current bridge is a one lane, structurally deficient bridge in which many children have to cross daily to get to school. This funding will help address this problem.

I certify that neither I nor my spouse has any direct financial interest in this project.

Also, I hereby certify that this request will be made publicly available on my Official Website as required by Chairman Obey's new Committee policy that only posted requests will be considered.

Consistent with the Republican Leadership's policy on earmarks, I hereby certify that to the best of my knowledge this request (1) is not directed to an entity or program that will be named after a sitting Member of Congress; (2) is not intended to be used by an entity to secure funds for other entities unless the use of funding is consistent with the specified purpose of the earmark; and (3) meets or exceeds all statutory requirements for matching funds where applicable. I further certify that should this request be included in the bill, I will place a statement in the Congressional Record describing how the funds will be spent and justifying the use of federal taxpayer funds.

Sincerely,
