Dear Chairman Obey & Ranking Member Lewis:

I am requesting \$665,000.00 for City of Sulligent - Valley Road and Fine Circle Sewer Project in fiscal year 2010. The entity to receive funding for this project is City of Sulligent, Alabama, located at Post Office Box 365 5795 Highway 278 Sulligent, Alabama 35586. The funding would be used for the planning, design, and construction of a sanitary sewer collection system expansion to serve existing residences in two areas presently not provided with public sewer access. Taxpayer Justification: This would improve our nation's infrastructure as it continues to age and deteriorate.

I certify that neither I nor my spouse has any direct financial interest in this project.

Also, I hereby certify that this request will be made publicly available on my Official Website as required by Chairman Obey's new Committee policy that only posted requests will be considered.

Consistent with the Republican Leadership's policy on earmarks, I hereby certify that to the best of my knowledge this request (1) is not directed to an entity or program that will be named after a sitting Member of Congress; (2) is not intended to be used by an entity to secure funds for other entities unless the use of funding is consistent with the specified purpose of the earmark; and (3) meets or exceeds all statutory requirements for matching funds where applicable. I further certify that should this request be included in the bill, I will place a statement in the Congressional Record describing how the funds will be spent and justifying the use of federal taxpayer funds.

Sincerely,
