Dear Chairman Obey & Ranking Member Lewis:

I am requesting \$990,000.00 for Downtown Economic and Redevelopment Program - Historic 1883 Cemetery in fiscal year 2010. The entity to receive funding for this project is City of Arab, located at 740 North Main Street, Arab, AL 35016. The funding would be used to acquire property for parking, improve usability of site, enhance restoration of Civil War era cemetery, mitigate brownfields from dry cleaners previously located on adjacent property, and increase downtown tourism and economic activities. Taxpayer Justification: This project is designed for downtown and economic revitalization, to meet federal objectives related to eliminating slums and blight, assist low and moderate income residents and mitigate potential environmental degradation.

I certify that neither I nor my spouse has any direct financial interest in this project.

Also, I hereby certify that this request will be made publicly available on my Official Website as required by Chairman Obey's new Committee policy that only posted requests will be considered.

Consistent with the Republican Leadership's policy on earmarks, I hereby certify that to the best of my knowledge this request (1) is not directed to an entity or program that will be named after a sitting Member of Congress; (2) is not intended to be used by an entity to secure funds for other entities unless the use of funding is consistent with the specified purpose of the earmark; and (3) meets or exceeds all statutory requirements for matching funds where applicable. I further certify that should this request be included in the bill, I will place a statement in the Congressional Record describing how the funds will be spent and justifying the use of federal taxpayer funds.

Sincerely,
