Dear Chairman Obey & Ranking Member Lewis:

I am requesting \$300,000.00 for Economic Development Partnership along the in fiscal year 2010. The entity to receive funding for this project is Limestone County Economic Development Association, Inc., located at 1806 Wilkinson Street, Athens, AL 35612. The funding would be used for assessment and evaluation of the economic potential for development of the "Rocket Corridor" that stretches from the United Launch Alliance Plant in Decatur through the I-565 economic development industrial base to Redstone Arsenal and NASA including Calhoun Community College Technology Center.

Taxpayer Justification: Report will address the economic benefits and the role of local, state, and educational organizations in the corridor development. The report will also outline tangible steps and potential companies/industries for recruitment.

I certify that neither I nor my spouse has any direct financial interest in this project.

Also, I hereby certify that this request will be made publicly available on my Official Website as required by Chairman Obey's new Committee policy that only posted requests will be considered.

Consistent with the Republican Leadership's policy on earmarks, I hereby certify that to the best of my knowledge this request (1) is not directed to an entity or program that will be named after a sitting Member of Congress; (2) is not intended to be used by an entity to secure funds for other entities unless the use of funding is consistent with the specified purpose of the earmark; and (3) meets or exceeds all statutory requirements for matching funds where applicable. I further certify that should this request be included in the bill, I will place a statement in the Congressional Record describing how the funds will be spent and justifying the use of federal taxpayer funds.
