Dear Chairman Obey & Ranking Member Lewis:

I am requesting \$7,000,000.00 for Electronic Training and Security Tools (ETAST) Phase III in fiscal year 2010. The entity to receive funding for this project is Alabama Department of Corrections (ADOC), located at 301 South Ripley Street, P.O. Box 301501, Montgomery, AL 36130-1501. The funding would be used to fully develop ADOC's 3D virtual environment Situational, Training & Awareness Tool for high-risk maximum security correctional facilities statewide and optimize planning, training, exercise and real-world response operations. Taxpayer Justification: ETAST Phase III is an integral part of our Nation's efforts to enhance public safety despite critical shortfalls within State budgets and problems retaining personnel at correctional facilities.

I certify that neither I nor my spouse has any direct financial interest in this project.

Also, I hereby certify that this request will be made publicly available on my Official Website as required by Chairman Obey's new Committee policy that only posted requests will be considered.

Consistent with the Republican Leadership's policy on earmarks, I hereby certify that to the best of my knowledge this request (1) is not directed to an entity or program that will be named after a sitting Member of Congress; (2) is not intended to be used by an entity to secure funds for other entities unless the use of funding is consistent with the specified purpose of the earmark; and (3) meets or exceeds all statutory requirements for matching funds where applicable. I further certify that should this request be included in the bill, I will place a statement in the Congressional Record describing how the funds will be spent and justifying the use of federal taxpayer funds.

Sincerely,

Robert B. Aderholt
