Dear Chairman Obey & Ranking Member Lewis:

I am requesting \$3,000,000.00 for Financial Cybercrimes Project - Operation Swordfish in fiscal year 2010. The entity to receive funding for this project is Alabama Department of Public Safety, located at P. O. Box 1511, Montgomery, AL 36102-1511. The funding would be used for a partnership project with OPS, Univeristy of Alabama at Birmingham and Department of Public Safety targeting investigation and prosecution of individuals involved in financial cybercrimes, aka phishing, in order to protect citizens and inhibit terrorist organizations benefiting from these crimes. Taxpayer Justification: This project will create jobs and investigate crimes funding terrorist activities, which will in turn inhibit terrorist cells funding activities with electronic cyber crimes. Crimes will be investigated and prosecuted, including seizure of assets.

I certify that neither I nor my spouse has any direct financial interest in this project.

Also, I hereby certify that this request will be made publicly available on my Official Website as required by Chairman Obey's new Committee policy that only posted requests will be considered.

Consistent with the Republican Leadership's policy on earmarks, I hereby certify that to the best of my knowledge this request (1) is not directed to an entity or program that will be named after a sitting Member of Congress; (2) is not intended to be used by an entity to secure funds for other entities unless the use of funding is consistent with the specified purpose of the earmark; and (3) meets or exceeds all statutory requirements for matching funds where applicable. I further certify that should this request be included in the bill, I will place a statement in the Congressional Record describing how the funds will be spent and justifying the use of federal taxpayer funds.

Sincerely,

A handwritten signature in black ink that reads "Robert B. Aderholt".
