Dear Chairman Obey & Ranking Member Lewis:

I am requesting \$75,000.00 for Gadsden State Community College Green Operations Plan in fiscal year 2010. The entity to receive funding for this project is Gadsden State Community College, located at P.O. Box 227, Gadsden, AL 35902-0227. The funding would be used for replacing aging inefficient light fixtures in Wallace Hall Fine Arts Center to reduce the amount of electricity used by over 50%. Taxpayer Justification: This plan will cut lighting energy use, reduce the carbon footprint, produce the same brightness at a lower cost and utilize easily-recyclable lamps which will allow Gadsden State Community College to be a better steward to our environment and our community.

I certify that neither I nor my spouse has any direct financial interest in this project.

Also, I hereby certify that this request will be made publicly available on my Official Website as required by Chairman Obey's new Committee policy that only posted requests will be considered.

Consistent with the Republican Leadership's policy on earmarks, I hereby certify that to the best of my knowledge this request (1) is not directed to an entity or program that will be named after a sitting Member of Congress; (2) is not intended to be used by an entity to secure funds for other entities unless the use of funding is consistent with the specified purpose of the earmark; and (3) meets or exceeds all statutory requirements for matching funds where applicable. I further certify that should this request be included in the bill, I will place a statement in the Congressional Record describing how the funds will be spent and justifying the use of federal taxpayer funds.

Sincerely,

Robert B. Aderholt
