Dear Chairman Obey & Ranking Member Lewis:

I am requesting \$1,485,000.00 for Historical Renovation of 1940 Federal Style Post Office for City Administration Offices in fiscal year 2010. The entity to receive funding for this project is City of Guntersville, located at 341 Gunter Avenue Guntersville, Alabama. The funding would be used for renovation of the 1940 federal style post office for city administration offices. Will vacate space for the police department, city court, and other state and federal agencies. Taxpayer Justification: Overall project will provide historic preservation for 1940 federal post office building for which Guntersville is currently applying to Alabama Historic Commission for listing on the National Register of Historic Places.

I certify that neither I nor my spouse has any direct financial interest in this project.

Also, I hereby certify that this request will be made publicly available on my Official Website as required by Chairman Obey's new Committee policy that only posted requests will be considered.

Consistent with the Republican Leadership's policy on earmarks, I hereby certify that to the best of my knowledge this request (1) is not directed to an entity or program that will be named after a sitting Member of Congress; (2) is not intended to be used by an entity to secure funds for other entities unless the use of funding is consistent with the specified purpose of the earmark; and (3) meets or exceeds all statutory requirements for matching funds where applicable. I further certify that should this request be included in the bill, I will place a statement in the Congressional Record describing how the funds will be spent and justifying the use of federal taxpayer funds.

Sincerely,

Robert B. Aderholt
