Dear Chairman Obey & Ranking Member Lewis:

I am requesting \$1,000,000.00 for Jacksonville State University Canyon Center in fiscal year 2010. The entity to receive funding for this project is Jacksonville State University, located at 700 Pelham Rd. North, Jacksonville, AL 36265. The funding would be used for The Canyon Center's interactive earth science exhibits, which will promote local resources such as the Little River Canyon National Preserve and Desoto State Park. They will engage students through hands-on technology. Taxpayer Justification: The need to increase student interest in science, technology and environmental education is critical. JSU's Canyon Center exhibits will provide a permanent but flexibly updated, yet effective tool for increasing student curiosity.

I certify that neither I nor my spouse has any direct financial interest in this project.

Also, I hereby certify that this request will be made publicly available on my Official Website as required by Chairman Obey's new Committee policy that only posted requests will be considered.

Consistent with the Republican Leadership's policy on earmarks, I hereby certify that to the best of my knowledge this request (1) is not directed to an entity or program that will be named after a sitting Member of Congress; (2) is not intended to be used by an entity to secure funds for other entities unless the use of funding is consistent with the specified purpose of the earmark; and (3) meets or exceeds all statutory requirements for matching funds where applicable. I further certify that should this request be included in the bill, I will place a statement in the Congressional Record describing how the funds will be spent and justifying the use of federal taxpayer funds.

Sincerely,

Robert B. Aderholt
