Dear Chairman Obey & Ranking Member Lewis:

I am requesting \$2,500,000.00 for Jefferson County Jails Technology and Equipment Upgrades in fiscal year 2010. The entity to receive funding for this project is the Jefferson County, AL Sheriff's Office, located at 2200 8th Avenue North, Birmingham, AL 35203. The funding would be used for Birmingham and Bessemer jails operated and managed by the Jefferson Co. Sheriff's Office, which are not ADA compliant. Requested funding will provide for handicap accessibility upgrades and the purchase of needed tasers, DVR and transportation equipment. Taxpayer Justification: Jail improvement funds will make the Birmingham and Bessemer jails operated by Jefferson County ADA compliant, improve conditions for the aging inmate population, and provide for additional training for safer, more secure management of the facilities.

I certify that neither I nor my spouse has any direct financial interest in this project.

Also, I hereby certify that this request will be made publicly available on my Official Website as required by Chairman Obey's new Committee policy that only posted requests will be considered.

Consistent with the Republican Leadership's policy on earmarks, I hereby certify that to the best of my knowledge this request (1) is not directed to an entity or program that will be named after a sitting Member of Congress; (2) is not intended to be used by an entity to secure funds for other entities unless the use of funding is consistent with the specified purpose of the earmark; and (3) meets or exceeds all statutory requirements for matching funds where applicable. I further certify that should this request be included in the bill, I will place a statement in the Congressional Record describing how the funds will be spent and justifying the use of federal taxpayer funds.

Sincerely,

A handwritten signature in black ink that reads "Robert B. Aderholt".
