Dear Chairman Obey & Ranking Member Lewis:

I am requesting \$495,000.00 for Lamar County Waterline Extension Project in fiscal year 2010. The entity to receive funding for this project is Lamar County Commission, located at P.O. Box 338 Vernon, AL 35592. The funding would be to provide a dependable, safe water source to rural residents of Lamar County that currently rely on contaminated/dry wells for their water. Taxpayer Justification: The project will eliminate consumption of contaminated well water for approximately 100 households in Lamar County.

I certify that neither I nor my spouse has any direct financial interest in this project.

Also, I hereby certify that this request will be made publicly available on my Official Website as required by Chairman Obey's new Committee policy that only posted requests will be considered.

Consistent with the Republican Leadership's policy on earmarks, I hereby certify that to the best of my knowledge this request (1) is not directed to an entity or program that will be named after a sitting Member of Congress; (2) is not intended to be used by an entity to secure funds for other entities unless the use of funding is consistent with the specified purpose of the earmark; and (3) meets or exceeds all statutory requirements for matching funds where applicable. I further certify that should this request be included in the bill, I will place a statement in the Congressional Record describing how the funds will be spent and justifying the use of federal taxpayer funds.

Sincerely,

A handwritten signature in black ink that reads "Robert B. Aderholt".
