Dear Chairman Obey & Ranking Member Lewis:

I am requesting \$600,000.00 for Law Enforcement and Forensic Science Technology and Equipment in fiscal year 2010. The entity to receive funding for this project is the City of Gadsden, located at 90 Broad Street, P.O. Box 267 Gadsden, AL 35902-0267. The funding would be used to purchase needed equipment for an in-house forensic lab. Taxpayer Justification: This funding would expedite case resolution, trial, and sentencing.

I certify that neither I nor my spouse has any direct financial interest in this project.

Also, I hereby certify that this request will be made publicly available on my Official Website as required by Chairman Obey's new Committee policy that only posted requests will be considered.

Consistent with the Republican Leadership's policy on earmarks, I hereby certify that to the best of my knowledge this request (1) is not directed to an entity or program that will be named after a sitting Member of Congress; (2) is not intended to be used by an entity to secure funds for other entities unless the use of funding is consistent with the specified purpose of the earmark; and (3) meets or exceeds all statutory requirements for matching funds where applicable. I further certify that should this request be included in the bill, I will place a statement in the Congressional Record describing how the funds will be spent and justifying the use of federal taxpayer funds.

Sincerely,

Robert B. Aderholt
