Dear Chairman Obey & Ranking Member Lewis:

I am requesting \$1,025,000 for Locust Fork Wastewater Collection and Treatment System in fiscal year 2010. The entity to receive funding for this project is Blount County Commission, located at 220 2nd Avenue, East Room 106 Oneonta, AL 35121. The funding would be used to provide wastewater collection and treatment for the Town of Locust Fork, recognized by the Birmingham Regional Planning Commission as being the fastest growing area in Blount County with 1,385 students enrolled in school. Taxpayer Justification: Proper wastewater treatment is vital for the protection of free flowing streams. Wastewater treatment is needed to facilitate economic growth providing job opportunities for the citizens in the town of Locust Fork.

I certify that neither I nor my spouse has any direct financial interest in this project.

Also, I hereby certify that this request will be made publicly available on my Official Website as required by Chairman Obey's new Committee policy that only posted requests will be considered.

Consistent with the Republican Leadership's policy on earmarks, I hereby certify that to the best of my knowledge this request (1) is not directed to an entity or program that will be named after a sitting Member of Congress; (2) is not intended to be used by an entity to secure funds for other entities unless the use of funding is consistent with the specified purpose of the earmark; and (3) meets or exceeds all statutory requirements for matching funds where applicable. I further certify that should this request be included in the bill, I will place a statement in the Congressional Record describing how the funds will be spent and justifying the use of federal taxpayer funds.

Sincerely,

Robert B. Aderholt
