

The 110th Congress
U.S. House of Representatives
Washington, DC 20515

April 3, 2009

Chairman David Obey
House Appropriations Committee
H-218, the Capitol
Washington, DC 20515

Ranking Member Jerry Lewis
House Appropriations Committee
1016 Longworth House Office Building
Washington, DC 20515

Dear Chairman Obey & Ranking Member Lewis:

I am requesting \$600,000.00 for a Magnetic Resonance Imaging System Replacement in fiscal year 2010. The entity to receive funding for this project is DCH Health System/Fayette Medical Center (FMC), located at 1653 Temple Avenue N., Fayette, Alabama 35555. The funding would be used for to replace the current and outdated MRI system, originally purchased in 1997. Taxpayer Justification: As the sole community provider for emergency care in Fayette and Lamar, the 60,000 patients served annually (including a large number of elderly, uninsured, and underinsured), will greatly benefit from this upgraded, more efficient MRI system.

I certify that neither I nor my spouse has any direct financial interest in this project.

Also, I hereby certify that this request will be made publicly available on my Official Website as required by Chairman Obey's new Committee policy that only posted requests will be considered.

Consistent with the Republican Leadership's policy on earmarks, I hereby certify that to the best of my knowledge this request (1) is not directed to an entity or program that will be named after a sitting Member of Congress; (2) is not intended to be used by an entity to secure funds for other entities unless the use of funding is consistent with the specified purpose of the earmark; and (3) meets or exceeds all statutory requirements for matching funds where applicable. I further certify that should this request be included in the bill, I will place a statement in the Congressional Record describing how the funds will be spent and justifying the use of federal taxpayer funds.

Sincerely,

A handwritten signature in black ink that reads "Robert B. Aderholt".

Robert B. Aderholt
