Dear Chairman Obey & Ranking Member Lewis:

I am requesting \$4,000,000 for Marine Corps MK1077 Flatracks in fiscal year 2010. The entity to receive funding for this project is SUMMA Technology, Inc., located at 140 Sparkman Drive Huntsville, AL 35805. The funding would be used for The MK1077 Flatrack is a revolutionary material handling system that provides the Marines with expedited logistical support while achieving significant manpower and equipment reductions. Taxpayer Justification: The USMC has a requirement for 3,500 MK1077 Flatrack units of which 1,000 units have been acquired to date. The additional funding requested would provide approximately 330 units bringing the total inventory to 1,330 or 37%.

Also, I hereby certify that this request will be made publicly available on my Official Website as required by Chairman Obey's new Committee policy that only posted requests will be considered.

Consistent with the Republican Leadership's policy on earmarks, I hereby certify that to the best of my knowledge this request (1) is not directed to an entity or program that will be named after a sitting Member of Congress; (2) is not intended to be used by an entity to secure funds for other entities unless the use of funding is consistent with the specified purpose of the earmark; and (3) meets or exceeds all statutory requirements for matching funds where applicable. I further certify that should this request be included in the bill, I will place a statement in the Congressional Record describing how the funds will be spent and justifying the use of federal taxpayer funds.

Sincerely,

Robert B. Aderholt
