Dear Chairman Obey & Ranking Member Lewis:

I am requesting \$2,810,000.00 for Marion County Highway/Bridge Improvements, Marion County, AL in fiscal year 2010. The entity to receive funding for this project is the Marion County Commission, located at P.O. Box 460, Hamilton, AL 35570. The funding would be used to widen and resurface County Road 48 and Airport Road. Additionally the project will replace three critical bridges in the Byrd Community. These roads and bridges are essential to public access and safety. Taxpayer Justification: This project is necessary to develop adequate road infrastructure for public safety and commercial/industrial growth in Marion County.

I certify that neither I nor my spouse has any direct financial interest in this project.

Also, I hereby certify that this request will be made publicly available on my Official Website as required by Chairman Obey's new Committee policy that only posted requests will be considered.

Consistent with the Republican Leadership's policy on earmarks, I hereby certify that to the best of my knowledge this request (1) is not directed to an entity or program that will be named after a sitting Member of Congress; (2) is not intended to be used by an entity to secure funds for other entities unless the use of funding is consistent with the specified purpose of the earmark; and (3) meets or exceeds all statutory requirements for matching funds where applicable. I further certify that should this request be included in the bill, I will place a statement in the Congressional Record describing how the funds will be spent and justifying the use of federal taxpayer funds.

Sincerely,

Robert B. Aderholt
