Dear Chairman Obey & Ranking Member Lewis:

I am requesting \$160,000.00 for Mobile Data Terminal Update in fiscal year 2010. The entity to receive funding for this project is Morgan County, Alabama Commission, located at 302 Lee St. N.E., P.O. Box 668, Decatur, Alabama 35602. The funding would be used to replace Mobile Data Terminals. Taxpayer Justification: RMS & MDT's keep data for our use and make it readily available to be transferred to agencies nationwide when needed. Officers have a need for instant access to information, including photos. It is important for officer safety both here and across the nation and the funding promotes this end.

I certify that neither I nor my spouse has any direct financial interest in this project.

Also, I hereby certify that this request will be made publicly available on my Official Website as required by Chairman Obey's new Committee policy that only posted requests will be considered.

Consistent with the Republican Leadership's policy on earmarks, I hereby certify that to the best of my knowledge this request (1) is not directed to an entity or program that will be named after a sitting Member of Congress; (2) is not intended to be used by an entity to secure funds for other entities unless the use of funding is consistent with the specified purpose of the earmark; and (3) meets or exceeds all statutory requirements for matching funds where applicable. I further certify that should this request be included in the bill, I will place a statement in the Congressional Record describing how the funds will be spent and justifying the use of federal taxpayer funds.

Sincerely,

A handwritten signature in black ink that reads "Robert B. Aderholt".
