Dear Chairman Obey & Ranking Member Lewis:

I am requesting \$2,000,000.00 for the National Technical Assistance and Training Program in fiscal year 2010. The entity to receive funding for this project is SEARCH, located at 7311 Greenhaven Drive, Suite 145 Sacramento, California 95831. The funding would be used to assist small- and mid-sized criminal justice agencies at no-cost to: 1) enhance and upgrade information systems; 2) build integrated systems; and 3) ensure compatibility between local, state, regional, and national systems. Taxpayer Justification: SEARCH has provided services in every state and has received good reviews from local, regional and state law enforcement and criminal justice agencies that have received these services as well as from the federal Bureau of Justice Assistance (BJA).

I certify that neither I nor my spouse has any direct financial interest in this project.

Also, I hereby certify that this request will be made publicly available on my Official Website as required by Chairman Obey's new Committee policy that only posted requests will be considered.

Consistent with the Republican Leadership's policy on earmarks, I hereby certify that to the best of my knowledge this request (1) is not directed to an entity or program that will be named after a sitting Member of Congress; (2) is not intended to be used by an entity to secure funds for other entities unless the use of funding is consistent with the specified purpose of the earmark; and (3) meets or exceeds all statutory requirements for matching funds where applicable. I further certify that should this request be included in the bill, I will place a statement in the Congressional Record describing how the funds will be spent and justifying the use of federal taxpayer funds.

Sincerely,

Robert B. Aderholt
