Dear Chairman Obey & Ranking Member Lewis:

I am requesting \$8,000,000 for the Non-invasive Vectored Vaccine Program in fiscal year 2010. The entity to receive funding for this project is VAXIN INC., located at 1500 1st Avenue North, Suite D116 Birmingham, AL 35203. The funding would be used for Vectored vaccines to protect against specific diseases. Bioterrorism, global pandemics and epidemics require new vaccines that can be developed, produced and circulated rapidly. These vaccines are given intranasally by drop or spray. Taxpayer Justification: This is a means of rapid response to protect troops and the public against lethal diseases, natural or unleashed by bioterrorism.

Also, I hereby certify that this request will be made publicly available on my Official Website as required by Chairman Obey's new Committee policy that only posted requests will be considered.

Consistent with the Republican Leadership's policy on earmarks, I hereby certify that to the best of my knowledge this request (1) is not directed to an entity or program that will be named after a sitting Member of Congress; (2) is not intended to be used by an entity to secure funds for other entities unless the use of funding is consistent with the specified purpose of the earmark; and (3) meets or exceeds all statutory requirements for matching funds where applicable. I further certify that should this request be included in the bill, I will place a statement in the Congressional Record describing how the funds will be spent and justifying the use of federal taxpayer funds.

Sincerely,

Robert B. Aderholt
