Dear Chairman Obey & Ranking Member Lewis:

I am requesting \$5,000,000 for the Open Architecture Simulation System (OASiS) in fiscal year 2010. The entity to receive funding for this project is Maximum Technology Corporation and John L. McDaniel Enterprises, Inc., located at 4910 University Square, Suite 4, Huntsville, Alabama 35816. The funding would be used for The OASiS Testbed will integrate hundreds of existing MDA M&S into a standard framework. OASiS specifies a comprehensive state-of-the-art Open Architecture for integrating Modeling and Simulation. New Modeling and Simulation will also have a framework & set of defined interfaces. Taxpayer Justification: Warfighter preparation will be enhanced with the MDA OASiS Testbed. A high-detailed engagement level model provides a roadmap for migration of legacy M&S to the OASiS framework. Hundreds of taxpayer funded Modeling and Simulation programs, developed in the past for projects now completed, will now be available for reuse and incorporation in new programs and projects, as part of the OASiS.

I certify that neither I nor my spouse has any direct financial interest in this project.

Also, I hereby certify that this request will be made publicly available on my Official Website as required by Chairman Obey's new Committee policy that only posted requests will be considered.

Consistent with the Republican Leadership's policy on earmarks, I hereby certify that to the best of my knowledge this request (1) is not directed to an entity or program that will be named after a sitting Member of Congress; (2) is not intended to be used by an entity to secure funds for other entities unless the use of funding is consistent with the specified purpose of the earmark; and (3) meets or exceeds all statutory requirements for matching funds where applicable. I further certify that should this request be included in the bill, I will place a statement in the Congressional Record describing how the funds will be spent and justifying the use of federal taxpayer funds.

Sincerely,

A handwritten signature in black ink that reads "Robert B. Aderholt".
