House Appropriations Committee

Dear Chairman Obey & Ranking Member Lewis:

I am requesting \$1,300,000 for Pryor Field Airport Instrument Landing System, Pryor Field, Decatur, AL in fiscal year 2010. The entity to receive funding for this project is Pryor Field Airport Authority, located at P.O. Box 1182, Decatur, AL 35601. The funding would be used for to install an FAA approved Instrument Landing System at Pryor Field Airport. The system will improve safety and allow for better utilization of the airport by supporting aircraft operations during lower visibilities. Taxpayer Justification: The Pryor Field Airport is a General Aviation airport identified in the National Plan of Integrated Airport Systems as significant to national air transportation and eligible to receive Federal funding. This funding will improve operations and safety at the airport.

I certify that neither I nor my spouse has any direct financial interest in this project.

Also, I hereby certify that this request will be made publicly available on my Official Website as required by Chairman Obey's new Committee policy that only posted requests will be considered.

Consistent with the Republican Leadership's policy on earmarks, I hereby certify that to the best of my knowledge this request (1) is not directed to an entity or program that will be named after a sitting Member of Congress; (2) is not intended to be used by an entity to secure funds for other entities unless the use of funding is consistent with the specified purpose of the earmark; and (3) meets or exceeds all statutory requirements for matching funds where applicable. I further certify that should this request be included in the bill, I will place a statement in the Congressional Record describing how the funds will be spent and justifying the use of federal taxpayer funds.

Sincerely,

Robert B. Aderholt
