Ranking Member Jerry Lewis  
House Appropriations Committee  
1016 Longworth House Office Building

Dear Chairman Obey & Ranking Member Lewis:

I am requesting \$700,000.00 for Remlap/Pine Mountain Water Source and Treatment Facility in fiscal year 2010. The entity to receive funding for this project is Blount County Commission, located at 220 2nd Avenue East Room 106 Oneonta, AL 35121. The funding would be used to develop a water source for Remlap/Pine Mountain Water Authority. Taxpayer Justification: This project would provide a safe water source for a community that currently relies on a shared water source that anticipates limited availability.

I certify that neither I nor my spouse has any direct financial interest in this project.

Also, I hereby certify that this request will be made publicly available on my Official Website as required by Chairman Obey's new Committee policy that only posted requests will be considered.

Consistent with the Republican Leadership's policy on earmarks, I hereby certify that to the best of my knowledge this request (1) is not directed to an entity or program that will be named after a sitting Member of Congress; (2) is not intended to be used by an entity to secure funds for other entities unless the use of funding is consistent with the specified purpose of the earmark; and (3) meets or exceeds all statutory requirements for matching funds where applicable. I further certify that should this request be included in the bill, I will place a statement in the Congressional Record describing how the funds will be spent and justifying the use of federal taxpayer funds.

Sincerely,

A handwritten signature in black ink that reads "Robert B. Aderholt".
