Dear Chairman Obey & Ranking Member Lewis:

I am requesting \$5,000,000.00 for Sloss Furnaces National Historic Landmark Visitor Center in fiscal year 2010. The entity to receive funding for this project is Sloss Furnaces Foundation, located at 20 North 32nd Street, Birmingham, AL 35222. The funding would be used to restore the furnaces and to create a world-class visitors and educational center for Sloss Furnaces National Historic Landmark. This project is expected to generate \$10.5 million annually for the Birmingham region. Taxpayer Justification: The federal government has long assumed responsibility for preserving National Historic Landmarks. This project is expected to generate \$10.5 million annually in economic development.

I certify that neither I nor my spouse has any direct financial interest in this project.

Also, I hereby certify that this request will be made publicly available on my Official Website as required by Chairman Obey's new Committee policy that only posted requests will be considered.

Consistent with the Republican Leadership's policy on earmarks, I hereby certify that to the best of my knowledge this request (1) is not directed to an entity or program that will be named after a sitting Member of Congress; (2) is not intended to be used by an entity to secure funds for other entities unless the use of funding is consistent with the specified purpose of the earmark; and (3) meets or exceeds all statutory requirements for matching funds where applicable. I further certify that should this request be included in the bill, I will place a statement in the Congressional Record describing how the funds will be spent and justifying the use of federal taxpayer funds.

Sincerely,

Robert B. Aderholt
