Dear Chairman Obey & Ranking Member Lewis:

I am requesting \$4,800,000.00 for Widening of US Highway 278 and St. Bernard Bridge, Cullman, AL in fiscal year 2010. The entity to receive funding for this project is City of Cullman, located at P.O. Box 278, Cullman, AL 35056. The funding would be used to provide a middle lane to Hwy 278. A fifth lane is needed for turning safely and crossing the narrow bridge. Traffic is increasing on the road because of St. Bernard and new industry. School entrance will be relocated for better visibility. Taxpayer Justification: The widening will provide safer travel routes through Cullman County. This project is the last link of the major US transportation artery throughout the 4th District.

I certify that neither I nor my spouse has any direct financial interest in this project.

Also, I hereby certify that this request will be made publicly available on my Official Website as required by Chairman Obey's new Committee policy that only posted requests will be considered.

Consistent with the Republican Leadership's policy on earmarks, I hereby certify that to the best of my knowledge this request (1) is not directed to an entity or program that will be named after a sitting Member of Congress; (2) is not intended to be used by an entity to secure funds for other entities unless the use of funding is consistent with the specified purpose of the earmark; and (3) meets or exceeds all statutory requirements for matching funds where applicable. I further certify that should this request be included in the bill, I will place a statement in the Congressional Record describing how the funds will be spent and justifying the use of federal taxpayer funds.

Sincerely,

Robert B. Aderholt
