800 Independence Avenue Southwest, Room 1022

Kate:

My office has been contacted in response to the October 21, 2021 Federal Aviation Administration final determination, Aeronautical Study Number 2021-ASO-4634-NRA, regarding proposed construction located on airport-owned land in Gadsden, Alabama. I have attached a copy of this determination for your convenience.

I previously raised this issue with you in a July 7, 2021 letter suggesting your office thoroughly review this matter. Given this issue's importance for my constituents, I would appreciate a briefing for my office as well as for local officials, either in person in my Washington office or virtual, and additional information about this determination and the remaining process, during the week of Monday November 1, 2021.

I would appreciate expeditious consideration of this request and that it be given all due consideration. Please contact Chris Lawson of my staff at [Chris.Lawson@mail.house.gov](mailto:Chris.Lawson@mail.house.gov), to set up this meeting, or James Manasco of my staff at [James.Manasco@mail.house.gov](mailto:James.Manasco@mail.house.gov) with any questions concerning this request.

Sincerely,
