The Honorable Tom Cole

The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
1036 Longworth HOB
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for CDL Training Infrastructure Improvements in Fiscal Year 2027. The entity to receive funding for this project is Bevill State Community College, located at 1411 Indiana Avenue Jasper, AL 35501. The funding would be used for the construction and improvements to Bevill State Community College's Commercial Driver License (CDL) training infrastructure. The project is an appropriate use of taxpayer funds because it directly supports workforce development, economic mobility, and regional economic stability. These improvements will allow for increased training efficiency and maintained safe instructional conditions.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Robert B. Aderholt
Member of Congress
