The Honorable Tom Cole

The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
1036 Longworth HOB
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Marion County Public Water Authority for Public Water Expansion in Fiscal Year 2027. The entity to receive funding for this project is Marion County Public Water Authority, located at 130 Industrial Drive Hamilton, AL 35570. The funding would be used for public water expansion to provide clean drinking water into the rural areas of Marion County. The project is an appropriate use of taxpayer funds because there are approximately 600 households who do not have access to public water service. These unserved households rely on springs and shallow wells for their water, many contaminated with bacterial contamination and iron making them unsuitable for drinking water.

The project has a federal nexus because the funding provided is for purposes described in Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Robert B. Aderholt".
