

Recipient

The Capstone Rural Health Center

Project Name

Capstone Rural Health Clinic at Nauvoo

Address

5947 Highway 269, Parrish, AL 35580

Amount Requested

\$725,000

Project Explanation

Currently, Capstone Rural Health Center-Nauvoo is located in a two-story building that was originally built to house a food bank. The pharmacy is located on the 2nd floor. There is inadequate patient care space and lack of full ADA access to services on-site.

At the new clinic, services that would be provided include:

- Increased access to primary and behavioral healthcare;
- increased space to accommodate an additional primary care provider;
- case management services;
- a dedicated room to provide Telehealth Services to patients when primary or behavioral health care providers are not in the clinic;
- ADA-compliant access to pharmacy services.

The existing Nauvoo Center currently provides medical and behavioral care at approximately 3,600 visits each year and the Nauvoo pharmacy fills more than 2,500 prescriptions each month.

This project is a good use of taxpayer funds because a new facility will be able to accommodate at least an additional 1,000-1,500 patient visits per year in this rural area with no other access to community health care within a 30 square mile radius.

The Honorable Kay Granger
Ranking Member
House Committee on Appropriations
1036 Longworth House Office Building
Washington, DC 20515

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Capstone Rural Health Clinic at Nauvoo in fiscal year 2022. The entity to receive funding for this project is The Capstone Rural Health Center, located at 5947 Highway 269, Parrish, AL 35580. The funding would be used for construction of a new rural health clinic to provide high quality healthcare in a safe and accessible facility.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Robert B. Aderholt
Member of Congress
