

Recipient

University of North Alabama

Project Name

Community STEM Facility

Recipient Address

1 Harrison Plaza, Florence, AL 35632

Amount Requested

\$4,000,000

Project Explanation

The funding would be used for preliminary design, engineering, and construction of a Community STEM Facility, which will be used to train and educate the area's workforce in high-demand fields, educate the area's high school students who are dual-enrolled, serve as a facility to recruit and retain industry to the area, and develop training programs for local industry to meet ever-growing workforce needs.

Washington, DC 20515

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for a Community STEM Facility in fiscal year 2023. The entity to receive funding for this project is University of North Alabama, located at 1 Harrison Plaza, Florence, Alabama 35632.

The funding would be used for preliminary design, engineering, and construction of a Community STEM Facility, which will be used to train and educate the area's workforce in high-demand fields, educate the area's high school students who are dual-enrolled, serve as a facility to recruit and retain industry to the area, and develop training programs for local industry to meet ever-growing workforce needs.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Robert B. Aderholt
Member of Congress
