The Honorable Rosa DeLauro  
Ranking Member  
House Committee on Appropriations  
1036 Longworth House Office Building  
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Preliminary Engineering for Swayback Bridge, Marshall County, Alabama, 4th Congressional District in fiscal year 2025. The entity to receive funding for this project is Marshall County Commission, located at 424 Blount Avenue, Suite 305 Guntersville, AL 35976. The funding would be used for preliminary engineering needed to replace the Swayback Bridge on Hustleville Road in Marshall County, AL. The project is an appropriate use of taxpayer funds because the current bridge is very narrow with sharp curvature as the Hustleville Road transitions from west to north, leading to several vehicle accidents and multiple fatalities. This project will promote safer traveling between Alabama Highway 227 and Alabama Highway 75 for approximately 4,000 vehicles per day.

The project has a Federal nexus because the funding provided is for purposes authorized by 23 USC 133(b).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Robert B. Aderholt".
