The Honorable Kay Granger
Chairwoman

The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations
1036 Longworth House Office Building
Washington, DC 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Sanitary Sewer Improvement in Cullman, AL project in fiscal year 2024. The entity to receive funding for this project is the City of Cullman, located at 204 2nd Avenue NE, Cullman, AL, 35055. The funding would be used for reducing peak flow events at the Wastewater Treatment Plant (WWTP) and decreasing the duration of peak influent flows that result from infiltration to the collection system. Rehabilitation measures will involve both open-trench repairs and replacement along with trenchless technologies.

The project is an appropriate use of taxpayer funds because it will improve public infrastructure and public services for the constituents of Alabama's 4th District, who have been facing sanitary sewer overflows due to severe rain events.

The project has a federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Robert B. Aderholt".
