The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations
1036 Longworth House Office Building
Washington, DC 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Haleyville Drainage and Parking Facility Project City of Haleyville, AL, Winston County, 4th Congressional District project in fiscal year 2024. The entity to receive funding for this project is the City of Haleyville, located at 911 21st Street, Haleyville, AL, 35565. The funding would be used for addressing a deficient asphalt parking caused by groundwater springs under the parking lot where the water is trapped and freezes causing the asphalt to crack.

The project is an appropriate use of taxpayer funds because it will repair a high usage parking lot and improve traffic and income for surrounding businesses within Alabama's 4th District that utilize the area, as well as surrounding communities visiting the city.

The project has a federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Robert B. Aderholt". The signature is stylized with a large, sweeping "R" and a long horizontal line extending to the right.
