The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations
1036 Longworth House Office Building
Washington, DC 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the City of Red Bay Interchange Lighting at SR-24 (Corridor V), Red Bay, AL, Franklin County, 4th Congressional District project in fiscal year 2024. The entity to receive funding for this project is the City of Red Bay, located at 203 4th Avenue SE, Red Bay, AL, 35582. The funding would be used to install highway high-mast lights at the many intersections and long stretches of highway on Corridor V within the city limits of Red Bay.

The project is an appropriate use of taxpayer funds because installation of lights will mitigate traffic accidents and create a safer route for motorists to enter and exit the city, leading to continued economic success for citizens in Alabama's 4th district.

The project has a federal nexus because the funding provided is for purposes authorized by 23 USC 133(b).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Robert B. Aderholt". The signature is fluid and cursive, with a long horizontal stroke at the end.
