The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations
1036 Longworth House Office Building
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Health Clinic in Fayette, AL in fiscal year 2026. The entity to receive funding for this project is the Fayette Medical Center Board of Directors, located at 1653 Temple Avenue N. Fayette, AL 35555. The funding would be used for the construction of a 22,219 square foot rural health clinic with additional space for physician and specialist offices. The project is an appropriate use of taxpayer funds because it provides essential healthcare access to rural communities in need.

The project has a federal nexus because it is authorized under section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a).

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

A handwritten signature in blue ink that reads "Robert B. Aderholt".
